**More info on back side.**

Many assume homelessness means sleeping on the streets.

In fact, homelessness means that you don't have a permanent, safe or secure place to live.

## Who Should Participate in the Survey?

- Doubled-up: sharing housing with others, due to the loss of housing or economic hardship.
- Living in motels, hotels or camp grounds, due to lack of housing options.
- Living in a shelter or emergency housing.
- Families or couples having to split up or live in temporary housing, due to the lack of housing.
- Living in a trailer, barn, shed or garage on a relative's or friend's property.
- Living with relatives or friends, due to the lack of housing.
- Living in a vehicle, tent, camper, RV (with no hook ups), abandoned home or abandon building.
